BULLETIN: 03-102

Senior Technician/Civil Engineer II

Direct Hire

Date: 7/31/03 **Expires:** 8/18/03

PAY RANGE: 26/28 **POSITION TYPE:** Permanent full-time

LOCATION: Augusta **Class Code:** 6426/6342 **POSITION NUMBER:** 0833

BUREAU/DIVISION: Bureau of Project Development/Urban & Arterial Highway Program

JOB DESCRIPTION: This position consists of work of a technical nature, performing a variety of complex engineering functions relating to the development of Arterial and Urban highway projects. The licensed or unlicensed incumbent will coordinate and administer Consultant contracts within a self-directed work team that is responsible for all projects within an assigned portion of the State. The incumbent will serve as the primary liaison between Consultants and internal team members and will be responsible for design decisions on assigned projects. The incumbent will schedule and attend public meetings related to assigned projects and will be expected to run these meetings on occasion. The Successful candidate will also work closely with the Project Manager to provide up-to-date schedule and budget information. Work is performed with limited supervision.

MINIMUM QUALIFICATIONS: **Senior Technician requires:** Twelve (12) years of experience in engineering -OR- a Bachelors Degree in an allied technical field and four (4) years of engineering experience -OR- an Associate Degree in Civil Engineering or related technical field and eight (8) years of experience. **Civil Engineer II requires:** Registration as a professional Engineer in the State of Maine/A bachelor's Degree in Engineering or a closely related field-OR- An equivalent combination of related military or civilian experience and/or training is required. Non-engineering college graduates and non-degree candidates must be certified as an Engineer-in-Training (EIT). A degree in Civil engineering and an EIT certification are preferred. Civil Engineering Degree (BSCE) holders start at \$34,361.60 (effective 12/30/02)

SELECTION PROCESS: Applicants must submit a letter of interest, current resume, a completed Direct Hire application, supplemental questionnaire and copy of professional license to: MDOT, Human Resources, # 16 State House Station, Augusta, ME 04333-0016, no later than 5:00 p.m., Monday, August 18, 2003. Internal transfers (those already in the above classification for DOT) who are interested in an interview may contact **Bradford Foley 624-3359** to be interviewed along with certified candidates. Applications are available by calling (207) 624-3061 and on the MDOT website: www.state.me.us/mdot.
